Dear Sir or Madam

I am writing in response to your job offer concerning the post of a manager which I found in your web sites

I believe this position fits my expectations of a perfect job.

As far as my qualifications are concerned, I have been working for about a year as a manager at the young and prosperous company AO American, where I have gained a lot of valuable professional experience. In addition to this, I consider myself as hard-working and career-orientated. And I love self-improvement and professional growth. I know very well from my experience that the post of a manager requires these features.

I would be happy to come to an interview at your convenience any time that is convenient to you

I enclose my references from my previous employers AO American.

I look forward to hearing from you,

Yours faithfully,

Petr Novák
