Living in a house

x

- + more space, privacy, liberty (you can doing everything) and you not pay a rent of a flat
- much work around the house and you have many big rooms for cleaning

Living in flat

- + no work around a home and you have small rooms for cleaning
- bad neighbours, which will be doing a big noise and you can have a bad caretaker

The American way of life

x

- a duplex, a two-storey house, a townhouse, a ranch, a detached house,...

The British way of life

- a semi-detached house, a cottage, a terraced house, a bungalow

Renting a flat

x

- + not worry about the flat, you can leave the flat
- bad neighbours, you haven't any property

Buying a house

- + you have a your property and you musn't pay a rent.
- you spend all your money and you're worried about the house.

Building a house

- + you build the house of your dreams and financial possibility
- it cost much money and it's hard work

I live in town/a small village (near Jihlava). It called..... It has about people and there is a good atmosphere. We have a playground, where children meet together.

I think all the people are friendly and help.

There is a beautiful nature. We have wide choice to do sport and relaxing for example....

I live in a detached house/block of flat/semi-detached house, which has rooms.

I have my own room/share with...
