

Otázka: My school - the Business Academy

Jazyk: Angličtina

Přidal(a): misamisa1135

My school

- My school, the Business Academy is located in Hradec Kralove
- There are four fields of study: business, public administration, social activity and economic lyceum
- You must study for 4 years and pass the matura exam to graduate
- After graduation you can be: businessman in business field, official in public administration, worker in social services in social activity and economist in economic lyceum
- There is 5 classes in each grade
- Our school has about 500 of students and 60 teachers
- There are 2 native speakers as a teachers
- There is more girls than boys
- The school doesn't have its own canteen, so there is longer lunch break
- You can choose from 3 dining room - Hradecká, primary school Sever and Hotel school. I go to primary school Sever and I'm satisfied, because meals there are so good

Location

- Our school lies on Pospisilova street in a historical building
- Before that the school was divided into two buildings, one in Hradec Kralove and the second in small village called Stěžery a few kilometres away
- There are two other high schools next to the building, the building of our school is in a middle of them

- It is in the centre of the town

Languages

- You can choose from five languages as a second language: German, Russian, French, Spanish and Italian
- Language school belongs to our school
- You can do an international exam LanguageCert, which can be compensation for matura exam (in others grade without field social activity)
